Good afternoon Mr. slaughter,

I want to apologize for the absent of updates regarding your case.
We are currently working with your OPR to try and find what office contains the Information you are asking for as we no longer hold UAP information here.

Good morning. I just want clarification regarding your May 5 email. Does this mean that NASIC is no longer analyzing UAP data?

Thanks for any clarification you're able to provide.

Sincerely,

Dustin M. Slaughter
