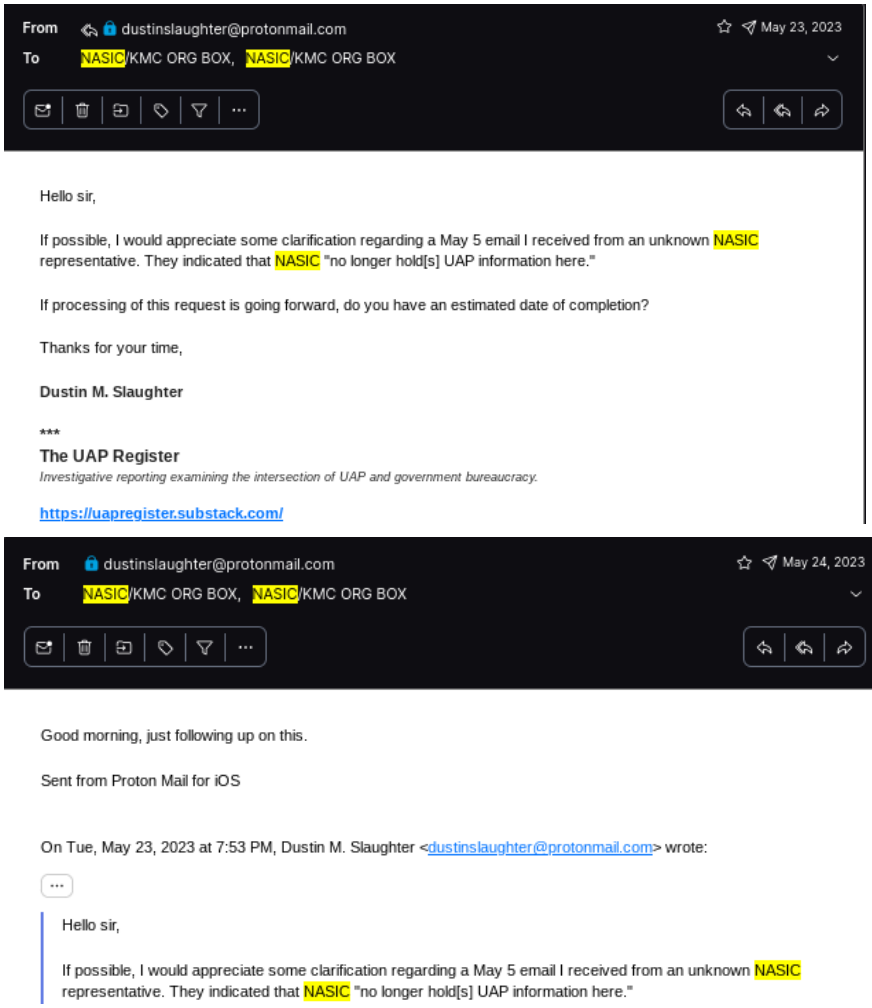
Exhibit 104



From dustinslaughter@protonmail.com May 23, 2023
To NASIC/KMC ORG BOX, NASIC/KMC ORG BOX

Hello sir,

If possible, I would appreciate some clarification regarding a May 5 email I received from an unknown NASIC representative. They indicated that NASIC "no longer hold[s] UAP information here."

If processing of this request is going forward, do you have an estimated date of completion?

Thanks for your time,

Dustin M. Slaughter
