Thank you. Can you please clarify that the records I am looking for are now in the possession of the DOD?

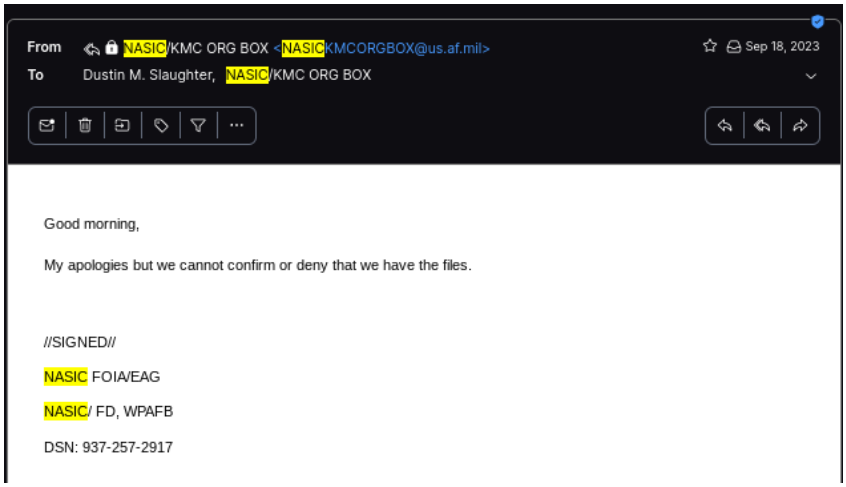

Thanks again,
Dustin S.

Hello. Will NASIC be issuing a final determination letter or is this email the final response? If this email is the final response, please send me the appropriate appellate contact information.

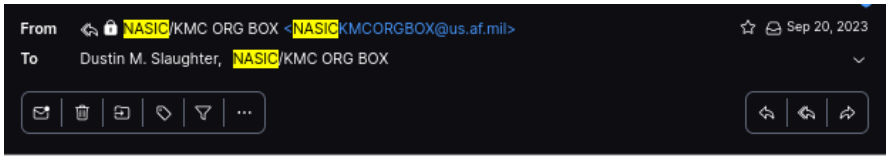

Thank you,
Dustin Slaughter

Good Morning Mr. Slaughter,

We are working on transferring this request to the correct office that would have the authority over any kind of UAP records. Meaning that this request is still being worked and no final determination has been made.

If you have any questions, comments, or concerns please feel free to contact us.

Thank you.
