REPLY TO ATTN OF: XPCP

12 JUN 1967

SUBJECT: UFO Observation (Your Ltr, 24 May 67)

TO: FTD (TDET/UFO)

1. The information and materials requested are not available from this installation. The reported sighting and radar detection was passed to Lowry AFB by Mr. Kiss, Watch Supervisor at the ARTC Center (FAA), Ft. Worth, Texas.

2. UFO report should have been referred to the nearest Air Force installation but was inadvertently directed to and taken by the Lowry Command Post Controller.

3. The Ft. Worth ARTC Center Commander was contacted on 29 May 1967 and requested to advise Mr. Kiss to hold any physical evidence he may have and be alerted to a possible request from your office to submit photos and other information. (Mr. Kiss may be contacted via Autovon 733-1140.)

Department of the Air Force
Headquarters Foreign Technology Division (AFCS)
Wright-Patterson Air Force Base, Ohio 45433

Dear Colonel Manatt:

This is in response to your letter of June 30, 1967, concerning the reported observation of an unidentified flying object (UFO) over Paris, Texas, on May 7, 1967.

We have contacted our radar facility at Denison, Texas, concerning this matter and they advised that the UFO report was forwarded to them by a resident of Paris, Texas. No radar sightings were observed.

We regret that we have no further information concerning this incident.

Sincerely yours,

Earl L. Stone

TDET/UFO (Maj Quintanilla/70961/mhs/27 Jul 67) 28 July 1967

UFO Observation, 7 May 1967

Lowry Technical Training Center (XPCP)

1. Reference the attached correspondence relating to a UFO report which was submitted by your organization on 8 May 1967.

2. Your message indicates that radar was involved in the UFO sighting, however, subsequent correspondence states that no radar paints of the alleged UFO were observed.

3. Your official records should be corrected to show that radar was not involved in this UFO sighting.

FOR THE COMMANDER

JAMES C. MANATT, Colonel, USAF
Director of Technology and Subsystems
