Case ID #: [redacted] (U) Observation of UAP by Anoka Police Department personnel

Synopsis: (U) To request SSA approval to close captioned investigation.

Details:

[redacted] was interviewed at his office at Anoka Police Department, 275 Harrison St, Anoka, MN. After being advised of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information: 1843(a)(3)

On 02/19/2025, [redacted] had completed training with [redacted] and [redacted] and was conducting an after-action briefing in the Domino's Pizza parking lot located at 2350 7th Ave, Anoka, MN. During the briefing [redacted] observed a multi colored object hovering in the sky West of his location. [redacted] pointed the object out to [redacted] and [redacted] and [redacted] relocated to the Anoka Municipal Ramp, 2110 2nd Ave, Anoka, MN, to get an elevated position to view the object. [redacted] used his cellphone to video the object and also tracked its movement using binoculars. [redacted] describe the object's appearance as a multi colored gyroscope that was approximately the size of a SUV or school bus. [redacted] estimated that the object was Southwest of his location towards Minnetonka, MN. [redacted] observed a private air plane traveling Southeast towards his location. As the private plane neared the object's location, the object dropped in altitude and moved around the path of the air plane. The object climbed in altitude and hovered for a 1843(a)(3)

Re: 05/09/2025

moment. stated that the object changed location in three separate burst and was observed hovering West of his location towards Monticello, MN. The object hovered and then descended. described the object's descent like a leaf floating on a breeze. 1843(a)(3) stated he observed the object for approximately 90 minutes in total. departed the area to meet at a local Kwik Trip. As departed they are he observed a second object, similar to the first, hovering in the area north of Anoka, MN.

During observation of the object, departed the parking ramp in his patrol car and drove West on Hwy 10. reported back to that he was able to see the object in the area of Monticello, MN. drove to Elk River, MN, approximately 12 miles Northwest of Anoka, and continued to monitor the object as it 1843(a)(3) hovered in the area near Monticello, MN. departed Elk River, MN and returned to Anoka. met up with and at a Kwik Trip location and spoke briefly about the object they had just observed.

provided reporting on three others sightings of objects, two he observed personally and the other he received from a friend. On 09/11/2022, observed an object hovering near the Anoka Ice Arena. recorded the object on his cellphone. The object hovered for a short period of time and climbed rapidly in altitude and became unviewable. stated as the object climbed, a commercial aircraft come into view. stated that when he was years old he 1843(a)(3) observed large yellow and orange orb hovering over the lake at his parents' cabin. felt uneasy while watching it. told his parents about it but they dismissed it a maybe a campfire reflecting off the lake. received a video from a friend who observed three separate flashes of light that traveled north. The flash of light occurred three times and they were able to record the third flash. The light was recorded from a vehicle as it traveled north on Hwy 169 in Champlin, MN.

At this time no further investigative action will take place. If additional information is provided on this matter it will be reviewed to
