Dear Sir

On Jan 17, around 7:30 I went out side. I seen this thing about ¾ mile off from me. I got my field glasses & took a good look at it. It look like it was getting ready to land. It was cold out & I came back in to get a jacket & when I went out it was gone. I still think it landed over here in the hills about a mile from our house. It timber & hills. And I got a good idea where it landed. It's

I dont Know anymore about this thing. But I am going to slip acrost & see if I can find out where it landed. I wont be seen if I do find it. I can geh around in this timber without being seen. If I find where it landed I'll let you Know. I live at Elk Creek, Mo In Texas County Mo I'll draw a map where I live & where I seen it getting ready to land

Yours Truly

M. [redacted]

P.S. I didnt Know who to send this to But I knew it would be in good hands to send it to you, and you can turn it over to the right party
